# *To the Graduates of 1968*

The spindle is the symbol of your yearbook. The spindle is the long, round slender rod or pin in spinning wheels by which the thread is twisted and on which, when twisted, it is wound.

The tens of thousands of spindles whirling in the mills of Lowell first brought international fame to this city nearly 150 years ago.

During those years threads of millions of lives have spun a variety of patterns. In your years at Lowell High there may well have developed talent that will ultimately make some of you designers of a peaceful future for the world.

Aiming for excellence as you weave the pattern of your years, may you always use well what you possess today in order that you may have honest, happy, and successful tomorrows.

# Cadet Officers

For the past eighty-six years the Cadet Officers of Lowell High School have successfully and admirably represented their school and city.

To be Cadet Officers is an honor and a duty. It marks the cumulation of two years of competition and work. In the sophomore year the boys take a competitive test to attain the rank of corporal. During the junior year there is a competitive test to become a sargeant. Toward the end of the junior year the Cadet Officers test is taken in two parts; a competitive test, and a verbal, in which the prospective officer drills a platoon of other aspirants. From the ranks of those who are selected come the captains, first and second lieutenants according to grade.

In the senior year the captains compete before a board of judges. The winner of the drill has the honor of becoming the Brigadier General and commander of the entire regiment. Also chosen, according to marks, are colonel, lieutenant colonels, and majors.

The Cadet Officers leave behind their senior year full of memories they never forget. The Generalcy Drill, Cadet Officers' Ball, Field Day, and Memorial Day all stand out as highlights of the year.

Special thanks is in order to Lt. Col. John Beaulieu and Lt. Philip Dancause, without whose direction and example the Cadet Officers Regiment would not attain the heights that it does.

- Miss Anna M. Ryan who created THE SPINDLE 25 years ago. Without her "brainchild" to serve as a guide — and without her help in the guiding — this book could never have been put together.

- Sullivan Bros., *Printers,* who somehow or other brought order out of chaotic layout conditions.

- Loring Studios who displayed such wondrous patience and understanding after a three-month delay in picture-taking beginnings.

- All Those Members of the school staff and student body who so well performed the monumental task of typing and picture-identification.

- The Seniors who by the hundreds kept to their picture appointment schedules and prepared their biographies.

- Headmaster Sullivan who gave us a free-rein in putting THE SPINDLE together.

- Our Advertisers and "Friends of '68" who helped keep the price of THE SPINDLE below prohibitive cost.

- Mary Esther Kaknes and her skilled and enthusiastic art students.

# *We Salute You!*

Congratulations and the best of luck! We at Loring are proud of the part we have had in helping to make your classbook a permanent reminder of your school years, recording with photographs one of the happiest and most exciting times of your life! We hope that, just as you have chosen us as your class photographer, you will continue to think of Loring Studios when you want photographs to help you remember other momentous days to come! When you choose Loring portraits, you are sure of the finest craftsmanship at the most moderate prices!

# In Gratitude . . .

Many long hours of planning and working have gone into this edition of Spindle-1968. It was a labor of love, however, as it represents a permanent keepsake of our years at Lowell High School. Our very special thanks must go to Mr. James E. Finn, Sub-Master, who was our faculty advisor. He was generous with his time and understanding. He was patient with our short-comings, and provided the guidance we needed to successfully complete our task. We are very grateful and shall always treasure the memory of our association with him.
